What about the course and/or instruction most enhanced your learning?

Comment
Regular homeworks, and Aris is a good lecturer.
The course material and lecture was very thorough and helped in my learning. Additionally, the professor's ability to communicate topics helped me understand content better. I appreciate the professor for always being incredibly considerate and compassionate.

What about the course and/or instruction can be improved the next time it is offered?

Comment
Losing points for incorrect T/F questions is understandable, but diabolical.
